LONG-TERM CARE INSURANCE: IS IT FOR YOU?

Are you aware that:

- the risk of needing some type of long-term care during your lifetime is 40%:
- on average, the cost of a one-year stay in a nursing home in this part of NYS is \$93,000?

If you're interested in learning more about your risk for long-term care; your options for funding it, and smart shopping for long-term care insurance, plan to attend the free educational workshop ***“Long-Term Care Insurance: Is It Right For You?”*** on Tuesday, February 6 from 7:00-8:30 p.m. at the Cooperative Extension Center, 480 North Main Street, Canandaigua.

Taught by Extension Educator Pam Chiverton, the same workshop will also be presented on Wednesday, February 21 from 10:30 – Noon and 3:30 – 5:00 p.m. at the Victor Free Library and repeated on Wednesday, February 28 from 10:00 – 11:30 a.m. and 3:30 – 5:00 p.m. at the NYS Department of Labor, 70 Elizabeth Blackwell, Geneva.
